REFLECTION

God promises us a new life overflowing with joy and blessing. The language of human love and wedding celebrations symbolizes this promise well. In the first reading God is a royal bridegroom who gives his bride Jerusalem a new name and royal crown. How it delights God to love us! In John's gospel the wedding at Cana is the first sign of Jesus' glory and God's presence. Jesus' mother Mary notes the embarrassing shortage of wine and intercedes with her son. Although his hour-of crucifixion and glory-has not come, Jesus changes the water used for Jewish purifications into an enormous quantity of wine. A new era of abundant blessing replaces the old. But we are aware of Jesus' passion even in this atmosphere of festive joy, and Mary will be standing by the cross when Jesus' glory is fully revealed. The Church is blessed by the gifts of grace, services and works of every member, St. Paul says. They come from the one Spirit and have one purpose: to build up the Church. All of us share in the blessings God gives in Christ.

Don't let the sufferings you see frighten you. Place them before the Crucifix and the Eucharist from which we draw patient and compassionate love.

A NOTE OF GRATITUDE

On December 16th, with the support of the St. Vincent de Paul Society, the Knights held a Christmas Party and provided toys to the 138 children up to 12 years of age and a \$25.00 No Frills gift card to the 52 families sponsored by the St. Vincent de Paul Society. The children and their parents were treated to a meal of pizza, samosas, fruit and drinks. They were entertained by Christmas caroling, musicians, the 11:00 a.m. Choir, a Panda Bear and an exiting visit from Santa Claus. The children and their parents greatly appreciated the party, toys and gift cards thanks to our Parishioners' generosity. January 24th at 7:00 p.m.

Newman Centre, 89 St. George Street, Toronto

Join us for a Faith and Science Lecture with Sr. Stephen Patrick, OP, PhD. As Catholics, our faith allows us to use the truths of scientific knowledge to encounter God through the beauty of His creation at the molecular level. Sr. Stephen Patrick will attempt to apply the teaching of St. Thomas Aquinas to the world of molecular biology in order to facilitate an encounter with our loving Creator by describing the structure and function of DNA and its relationship with other molecules that are essential for life.

Reception follows the lecture. All are welcome.
